

Case No. 22-10964-mg

Re. Request to make sure that documents with deadlines are filed with the SUBMITTED time, rather than the filed time

Dear Chief Judge Glenn,

I noticed that the time on my submission was the time my document was **filed**, rather than the time it was **submitted**.

Pro Se Upload Tool for Self-Represented Individuals only

Your receipt number is **1702587397**

Your documents were submitted on Thursday, December 14, 2023 at 03:56:37 PM. This is the date and time your document(s), once approved, is to be filed on the Court's electronic filing system.

There will be a delay in entering your documents(s) on the Court's electronic filing system, particularly when submitted after hours, on weekends, and holidays. If your filing involves a pending deadline, you must upload your document(s) at least 48 hours prior to the deadline to facilitate timely review.

If filing fees are due, you must contact the Clerk's Office at 212-284-4571 to arrange immediate payment. [Click here](#) for a list of fees due for filing documents.

Please do NOT send the same files more than once. Multiple uploads of the same file will delay processing of your documents. Thank you.

This is not fair, as this makes it appear to others as though I have been making late filings that have been given special privileges and been accepted anyway, when I always make a point of submitting by the deadline.

The uploading tool says that the time recorded should be the date and time I submitted it, but that has never been the case with my submissions, and as a result has always made my submissions look late, when they were made on time. This is concerning, as it has already resulted in one of my submissions being discluded, until I wrote to ask about it.

I would like to request that the people in charge of making the filings please file the **submitted** times, rather than the filed times in the future, to prevent possible misunderstandings; and that they please make sure that my filing has been counted as submitted before the deadline, at December 14, 2023, at 3:56pm.

Sincerely,

Cathy Lau
